

Zoom Plug-in vs Add-in: Outlook for Windows

Icon Differentiation	
Plug – in	Add – in (recommended)
	

Inside Outlook Desktop Application Calendar... **ONLY** the PLUG-IN appears on the Ribbon!!!

Inside a new appointment/meeting window in Outlook Desktop app... **BOTH** the Plug-in & Add-in *could* appear!!

Note: the Plug-in doesn't appear in the Outlook Web Application, but the Add-in will appear. Inside a new event window in Outlook Web App:
